Long bio

Dr. Danny Del Campo, MD, FAAD is a board certified dermatologist, a Fellow of the American Academy of Dermatology, and the owner of Chicago Skin Clinic, the practice his father founded in 1981. He is on staff at Advocate Lutheran General Hospital and Resurrection Medical Center, and he treats the full range of medical and cosmetic dermatology with particular attention to eczema, psoriasis, acne, and chronic itch. He studied music and biology at the University of Chicago, earned his medical degree at Rush Medical College, and served as chief resident in dermatology at New York Medical College. His commentary has appeared in 100 stories across 50 outlets, and he publishes peer reviewed research in dermatology. He is media trained and available on short notice for interviews in English and Spanish.
